WESSLING
WESSLING International Research and Educational Center (WIREC)

Proficiency testing provider accredited by NAH under No NAH-8-0003/2018.

APPLICATION FORM 2021

We hereby apply for the QualcoDuna Proficiency Testing Scheme 2021 for samples indicated in relevant annexes. Technical details are described in „QualcoDuna Proficiency Testing Scheme – Scheme description 2021", applicable conditions are detailed in „QualcoDuna Proficiency Testing Scheme – General protocol 2021". Above documents are integral part of this application form.

Name of customer (*to be invoiced*):.....

.....

.....

Address *(official invoicing address - incl. town/city, ZIP code, country)*:.....

.....

Company registration nr.:..... Bank account nr: .....

VAT ID:..... Authorised person to sign for:.....

Name of participant/organization:.....

Address *(incl. town/city, ZIP code, country – samples are sent to this address)*: .....

.....

Contact person:.....

Phone:..... E-mail: .....

E-mail for receiving order confirmation: .....

Contact person for invoicing:..... E-mail: .....

Postal address for invoice (*invoices are sent to this address*): .....

.....

Email for receiving invoice (*if pdf/e-invoices are accepted*): .....

Purchase order nr: .....

I report my measurement results by post/fax: yes no

(if NO is chosen, results should be reported online, for which 5% price discount is guaranteed)

Annexes:

- ❑ Annex I. Drinking water testing
- ❑ Annex II. Surface water testing
- ❑ Annex III. Groundwater testing
- ❑ Annex IV. Bathing water testing
- ❑ Annex V. Wastewater testing
- ❑ Annex VI. Wastewater sludge/ surface water sediment testing
- ❑ Annex VII. Soil testing
- ❑ Annex VIII. Waste testing
- ❑ Annex IX. Air pollutants testing
- ❑ Annex X. Biological intercomparisons
- ❑ Annex XI. Sampling
